

People Together

Be part of developing our work on building stronger communities.

We are looking for **passionate people** who are willing to **work together**, regardless of who we are or where we come from, to create a **caring, tolerant** and a **supportive** Bradford District where everyone can be the best version of themselves. **If this is you, then we want to hear from you!**

About People Together

As a member you will have an important role to play in our city. You know yourself and the communities you see yourself apart of - best. Help us get it right for all communities by telling us whether what we deliver through Our Stronger Communities is working or not. You will make a difference to the way we deliver services for communities across the District by helping us reach the maximum number of people, so all communities can really benefit from our activities.

The District wide Stronger Communities Partnership Board is looking for **32 energetic, up and coming emerging leaders** who are **open-minded** to join **People Together**. People Together is a **powerful community** that will **advise** and **influence** what **decisions** are made in the Partnership and **how** services and activities will be **delivered**.

People Together supports the *Stronger Communities Partnership Board* in achieving the District's vision where people living and working in Bradford District all **Get Along, Get Involved, Get On** and **Feel Safe**. Members will be the anchor that will keep our work grounded, and the connection between local people and services.

The roles are unpaid voluntary positions. You will be reimbursed for travel, phone and other reasonable expenses so you won't be out of pocket. You will be paired with a **mentor** who will **support you** in this **exciting** role.

You **must live in Bradford District** and be willing to commit to the role for a **minimum of one year**.

What you will do

As a member you will get involved in a **wide range** of activities. You will get to meet different types of people, build new friendships and attend some incredible social events. You will learn from each other and even learn new things about yourself!

In addition to developing your skills as a leader, you will get access to a whole range of development opportunities from social media training to talking to people about their opinions on our campaigns and work. You will;

- Meet as a group once every three months for a couple of hours.
- Help plan, deliver and attend events
- Design activities and services with professionals.
- Talk to local people to gather their views and opinions on what we deliver and the campaigns we run.
- Attend training days to learn new skills and develop existing ones.
- Share positive messages and stories on social media.
- Tell people what we've learned so far and share it with the people you know.
- Work with us to find solutions to local problems.
- Tell people about what we are doing.
- Encourage people to join in.

Recommendations or a reference can be provided on request.

How to apply

Are you interested? If yes, **please complete the [Registration of Interest form](#)** stating why you feel you should be selected.

Once we have received your application. A member of our team will contact you to arrange a 30 min informal chat with you at a day and time that suits you.

Successful applicants will be invited to a **People Together Induction Day** on 1st May 2019

For further information, or to be sent a digital or paper version of the application form, please email the team at stronger.communities@bradford.gov.uk
